TOSHIBA HD LCD MONITOR

Toshiba's 23.6" LCD monitor will impress you with its High Definition resolution (1920 x 1080) by delivering true to life images. Combining HD with a fast 5ms Response Time (Typical), HDMI port and a true cinema 16:9 Aspect Ratio, it creates a smooth and seamless visual experience. Also included is a built-in height adjustable stand for comfortable viewing. This is ideal for any Notebook owner who wants a highly compatible and quality external monitor.
